bees

#NoExcuse

16 days of activism
against gender-based
violence

for online abuse

Hey, can I share
this photo??

Can we
take a
photo together?

HAH! That's so
funny. Can I save your photo?

I'd love to post this.
Would you mind?

How do you
like to be
greeted?

Do you have a
moment? I need
to get something off
my chest ...

Winning design by Sowmya Ghimire for the Consent Is... design competition run by Women's Health In the North for 16 Days of Activism Against Gender-based Violence 2025 with funding support from Respect Victoria and Safe and Equal.
